

Family Update October 8th, 2020

Due to the increase in community cases of COVID-19 in many areas, along with changing government policies and directives, we are moving back to regular weekly messaging. We firmly believe that regular and transparent communication with you is key to us navigating these challenging times together.

Public Health Guidelines:

We strongly encourage you to follow all Public Health guidelines including, maintaining your social bubble, proper masking, and hand hygiene, and adhering to public gathering sizes. As we approach cold and flu season, we also encourage all family members to get their flu shot.

Essential Family Caregiver:

All non-essential visitation to Hawthorne Place is currently suspended, along with resident leave of absences. Should you wish to be designated as an essential family caregiver, please contact Nelusha Cooray Programs Manager, nelusha.cooray@hawthorneplacecarecentre.ca, 416-745-0811 ext. 260 and you will be provided with further details, including all prerequisites, details around visiting, infection prevention and control precautions and required training.

Skype or FaceTime visits are always an option and we would be happy to schedule this virtual option with your loved one, please contact Nelusha Cooray Programs Manager, nelusha.cooray@hawthorneplacecarecentre.ca, 416-745-0811 ext. 260

Our next scheduled update is Thursday October 15th unless there is anything to report sooner. As always if you have any questions or concerns or would like additional information on anything related to our home, please contact me at michelle.sattler@hawthorneplacecarecentre.ca or 416-745-0811 ext. 140.

Wishing you a wonderful and Happy Thanksgiving weekend.

Michelle Sattler,
Executive Director
