

Family Update- Monday November 2nd

We have no changes to report to the status of COVID-19 within Hawthorne Place.

The outbreak on our third floor is stable. We currently have no positive resident cases, and the two impacted staff members continue to self-isolate at home as per the direction from Toronto Public Health.

We would like to thank you for your ongoing support and understanding as we continue to navigate these challenging times. Please know, we remain vigilant in our efforts to keep Hawthorne Place residents, staff, and community safe. If at any time there is a change to the health status of your loved one, a member of our care team will contact you directly.

My next scheduled update is Thursday November 5th, and I will be in touch sooner should there be anything important to share. As always if you have any questions or concerns or would like additional information on anything related to our home, please contact me at michelle.sattler@hawthorneplacecarecentre.ca

Thank you,

Michelle Sattler
